

Electric Raindrop Audio

Electric Raindrop is a full-service audio production house based just outside of NYC specializing in Sonic Branding and media scoring. **The world is listening, will your brand be heard?**

Services Offered:

Sonic Branding

Creation and deployment of a sonic identity and strategy to give your brand an edge

Jingles

Songwriting services available to create catchy jingles sure to get stuck in your customer's head

Voice Over

Casting & recording to ensure your message is heard loud and clear & in your brand's unique voice

Sound Editing & Post Production

We can clean up your audio and/or mix your commercial to make sure it sounds as good as possible

Sonic Logo

A short auditory brand mnemonic that is as identifiable as your visual logo, effective in any medium where sound is heard

Brand Anthems & custom music

Custom brand anthem track or other instrumental that can be used in a variety of contexts such as ads, hold music & more!

Sound Design

Designing custom sounds for your app, product or otherwise to create a deeper user experience

VR, Experiential Music, Sound Installations & more!

Have a more specialized touch point you need addressed? We strive to stay at the cutting edge of creativity and tech
